

A program of the Foundation for Teaching Economics offered in Partnership with the Kansas Council for Economic Education.

Understanding Global Economic Issues

Spend the day with us and then get your school shopping done at night or make it a short staycation. Workshop is located in [Village West Area](#), very close by Legends Outlet Mall & Cabelas.

This highly interactive one-day event is free for Kansas teachers and designed for teachers incorporating global economic concepts into their classes. The main focus is on current issues. Presented in a non-biased manner, issues that face nations throughout the world will be explored and discussed. Case studies and simulations may be adapted to variety of classes and disciplines.

OPTIONAL: Grad credit in econ through Univ. of Co.-Co.Springs — \$122.00 cost

When: July 25 (Wednesday), 9:30 a.m.—4:30 p.m.
Kansas City Public Library –West Wyandotte Branch
1737 N. 82nd St., Kansas City, KS 66112 (I-70 & 435 North)
(Registration & breakfast at 9:15 am with lunch provided)

Who: Open to middle & high school teachers incorporating global economic concepts into their classes.

What: A one-day program designed to help teachers refresh their economics understanding and to provide activities to engage students in group structured activities that will complement a variety of economic principles.
